HOSTMANSHIP BY THE RUMA HOTEL & RESIDENCES

Nestled in the very heart of Kuala Lumpur’s Golden Triangle and just steps away from the Petronas Twin Towers and KLCC, The Ruma harks back in its literal sense. A serene sanctuary amidst the urban hustle and bustle. It is a hold that captures all the intimacy and ample run by an accomplished heat. A stay will inspire you to uncover the city’s vibrant and colonial heritage in a contemporary setting that exudes the soothing qualities of a true urban retreat.

The Ruma’s blasé business peri postures and suites, many with breathtaking views across the city’s sated skyline, notably pay tribute to its locale, they also embrace a new format at guest experience, unlike any in the region today. Hostmanship, the mantra of the hotel, centres around our guests at its very core. Humble, intuitive, genuine and devoid of complicated processes. Once you arrive at The Ruma you enter a world that revives around you.

From refreshments to a specialty restaurant, The Ruma covers all of your dietary needs. ATAS-Malaysia Malayon Catering celebrates unique local flavors in contemporary fashion. While ATAS Kitchen, the hotel’s in-line bar and lounge is designed as the daily venue for refreshments, light meal, weekend tea as well as a selection of expertly curated and craft driven cocktails and delicates from around the world.

The hotel’s fitness studio represents an entirely new take on wellness. Immediately connected to the hotel’s pristine 25-meter outdoor pool and sun deck,俯瞰 the building and overlooking KLCC landmarks, as well as the SANsA, a dynamic and versatile pool bar & lounge. The spa is about intelligent, genderless and result-driven treatments that work around our guest’s schedule and combine Modern Science with Ancient Healing. Part of UK SPA artistry and the Fitness 6 Gym and a sister spa, operated by themed fitness A**L, London.
SEVEN LOBBY BAR AND LOUNGE

Nested discreetly into the daylit-filled conservatory that extends from the hotel’s lobby, SEVEN Lobby Bar and Lounge offers an array of delectable drinks, refreshments, light meals, afternoons high tea or simply a beautifully human and domestic environment from which to indulge, converse or exchange.

LIBRARY

Tucked behind the Grand Salon on lobby level, LIBRARY is a contemplative space that evokes the feel of a grand home. Much more than your typical library lounge, it is a sacred space where guests can voyage through time by discovering artifacts and flea market antiques from the Kuwaiti emblem of yesteryear alongside vintage magazines and intriguing books on culture, design and architecture, while savoring a curated selection of refreshments, drams, afternoon tea and classic cocktails.
Located on the mezzanine floor, ATAS Modern Malaysian Eateries incorporates local produce, traditional tastes and unique ingredients with the contemporary touch of an architect. Enhancing the experience of food-oriented dining, the open kitchen is surrounded by the common dining room; the VERANDA all-fresco dining area and the private dining pavilion.
