Your TONIC of choice

Fever-Tree Refreshingly Light Tonic

A blend of South American angostura bark with aromatic botanicals such as cardamom, pimento berry and ginger. The most approachable tonic but perfect to be paired with the Pink Gins.

Fever-Tree Elderflower Tonic

A harmonious blending of handpicked English elderflower balanced by the softness and bitterness of the highest quality quinine from the 'fever trees' of the Democratic Republic of the Congo. Best mixed with the floral and the Old Tom Gin.

Fever-Tree Indian Tonic

Uniquely fresh with subtle, supportive citrus notes and perfectly balanced by naturally sourced quinine. A chameleon, perfect pairing with various gins from the classic London Dry to your audacious Navy Strength.

Fever-Tree Mediterranean Tonic

Gathered from the essential oils from the flowers, fruits, and herbs around the Mediterranean shores with well-drained soil and long, sun-filled days. This tonic is a perfect pairing with Sloe and the London Dry to give the fresh and zesty flavours.

London Essence Original Indian Tonic

An exemplary choice for pairing with premium gin, Original Indian Tonic Water presents a superbly precise balance of refreshing citrus notes, bitter quinine and distilled juniper essence. This tonic pairs perfectly with London Dry gins, but it also complements with other gin styles
