

Starlit Wishes

at The RuMa

THE RUMA

HOTEL AND RESIDENCES

THE WISHING STAR

For as long as we can remember, we have looked to the stars.
We wish upon them. We follow them. We look to them when we need a little hope.
Yet perhaps a wish was never about what lies somewhere far above us.
Perhaps it is about what lies closer.
A hand reaching out when we need it.
A voice guiding us when we lose our way.
A moment of kindness that reminds us we are not alone.
There are many ways to experience the world.
Some of us see the path ahead.
Others listen for it, feel it, remember it or simply trust the journey.

This festive season, The RuMa Hotel & Residences partners with the National Council for the Blind Malaysia (NCBM) to explore these different ways of experiencing the world, and to encourage us to notice what we may not always see. Through The Wishing Star, we celebrate the things that connect us all: hope, kindness, courage and belonging. As part of the collaboration, a portion of proceeds from our festive offerings will be contributed to NCBM in support of its work and the community it serves.

Because sometimes, the brightest things are not the ones we see.
They are the people who guide us.
The kindness we share.
The courage we carry.
The light we become for someone else.
Perhaps that is what a wish is really about.
Not waiting for a star to make something happen,
but believing that we can create a
little light of our own.
