• <i>Blend • Aromatic, Fruity, Floral, Spicy</i>		

Your TONIC of choice

Fever Tree Refreshingly Light Tonic

A blend of South American angostura bark with aromatic botanicals such as cardamom, pimento berry and ginger. The most approachable tonic but perfect to be paired with the Pink Gins.

Fever Tree Elderflower Tonic

A harmonious blending of handpicked English elderflower balanced by the softness and bitterness of the highest quality quinine from the 'fever trees' of the Democratic Republic of the Congo. Best mixed with the floral and the Old Tom Gin.

Fever Tree Indian Tonic

Uniquely fresh with subtle, supportive citrus notes and perfectly balanced by naturally sourced quinine. A chameleon, perfect pairing with various gins from the classic London Dry to your audacious Navy Strength.

Fever Tree Mediterranean Tonic

Gathered from the essential oils from the flowers, fruits, and herbs around the Mediterranean shores with well drained soil and long, sun-filled days. This tonic is a perfect pairing with Sloe and the London Dry to give the fresh and zesty flavours.

East Imperial Royal Botanic Tonic

Sourced by quinine from the highlands of Batavia in Java and created in partnership with Royal Botanic Gardens, Kew, embodies over 250 years of exploration, discovery, and the pioneering spirit. Another adventurous to be paired with any gins you desire.

East Imperial Burma Tonic

Not for the faint of heart! This tonic embodied the warm and spicy Cinnamon, with delicate zesty Manao lime. Try this with the Navy Strength or any gin with spice and herb taste stirred by crushed lemongrass for additional punch

East Imperial Grapefruit Tonic

Created by The Southeast Asian Pomelo, and is carefully blended With Ruby Red Grapefruit, resulting in a tonic that delivers the ultimate citrus balance. Try this with herb and spice gin to create an explosive taste, or the classic for a compelling mix.
