The Jungle Bird

While the exact history and claim to fame has now become an often-debated topic, the one thing that isn't debatable is the Jungle Bird's roots in Kuala Lumpur.

Created during the revival of tiki-themed bars the first Jungle Bird was served at the Aviary Bar in 1973.

Now a staple in most Malaysian cocktail bars and finding its way around the world, the Jungle Bird is regarded as one of the best cocktails ever created.
